(Apologies to: [ea@dvac.org.au](mailto:ea@dvac.org.au))

*This year we are focusing our fundraising on furniture & household items for IHSSI clients. Choose how you donate:*

- 1) On the day—purchase (donate) your breakfast with funds generated going towards the purchase of mattresses & bed frames for homeless clients of IHSSI & their children;*
- 2) Before—pledge an item of furniture/household items—do you have something of good quality that you no longer need? Send pledges to: [admin@ihssi.org.au](mailto:admin@ihssi.org.au) [Subject: PLEDGE & "identify pledged household item/s"]*

*These items will assist in providing basic furnishings for clients use during their tenancy.*

*Whilst every effort is made to ensure basics are provided we appreciate any help that is offered!*

*We aim to create packages of reclaimable items such as crockery & linen that can be provided to families who need them, and that can also be stored if/when they aren't required for a tenancy.*

*IHSSI currently assists approx. 30 families with children per year in supported accommodation—many of the families do not have bedding. Mattresses range in price from \$69 (SB 5" foam) to \$99 (DB 6" foam).*

*Mattresses provided to clients are gifted to them at the end of a tenancy for use in their new homes.*
