Interviewees :	James Farrell, Director, CLC Qld		

Queensland's community legal centres say they have only been able to help about half of the people who contacted them for support. CLC Qld Director James Farrell says lawyers already donate 100,00 hours of their time and more funding is needed. He says Federal funding cuts will take effect from July. A spokeswoman for the Attorney General's Office says the government has overall increased funding for legal aid, and specialised domestic violence services since 2015.
