Liz, I am in town this week. Would love to catch up with the kids, maybe southbank?

02/01/18- 10.18am

Liz, this is ridiculous. I know the kids will be missing their dad and we all miss them, why won't you return my messages. We just want to see them, its been months.

They missed out on Christmas, Troy missed Jazzy's b'day and Clint's. They are the ones suffering.
