Maurice Blackburn Lawyers invites you to a seminar entitled Personal Injury Solutions: Navigating personal and workplace injury solutions for your client base.

With a particular emphasis on supporting legal practitioners in the community legal sector, this seminar will cover:

- The potential compensation and insurance claims available to clients who have sustained a personal injury or illness.
- How to identify a potentially compensable injury or illness.
- What you can do to support your clients who have sustained a personal injury or illness.

#### Who should attend this seminar?

Anyone working within the legal profession, and those involved in community support organisations with a non legal background who interact with those impacted by personal injuries.

#### Presenter

Greg Spinda, Senior Associate

**This seminar is free of charge.**
