## Funds for community legal centres

COMMUNITY legal services in Gladstone will share in \$119 million from the State Government over the next five years.

Gladstone is one of six region centres to receive the funding.

Attorney-General and Minister for Justice Yvette D'Ath

said the joint state and federal funding would ensure ongoing provision of quality legal help.

"Queensland's community legal sector delivers vital services to thousands of Queenslanders," Mrs D'Ath said.

"Our community legal centres provide advice and as-

sistance to some of the most vulnerable and disadvantaged people."

Mrs D'Ath said the Government worked with the sector's peak body, Community Legal Centres Queensland, on the National Legal Assistance Partnership 2020-25 funding.
