

Volunteer Board Member

Volunteer with us to create social change through action!

TASC is seeking a volunteer non-executive Director to join our Board of Directors.

As a Director, you will play a significant role in guiding TASC's strategy, performance, compliance and brand. You will have an impact on the lives of our service users as you help to guide the organisation in its provision of transformative, sustainable and life-changing services. Specifically, this will involve attending regular meetings of the Board, participating in strategic planning and review and undertaking Board projects.

About You

You will:

- Share the values of TASC and be committed to our mission
- Have experience in developing and monitoring strategy, opportunities and risk
- Display independence and integrity in decision making
- Be a collaborative leader and effective communicator

You will ideally have a lived experience of disability and a connection to the communities that TASC serves.

We make a difference

We are all about improving the lives of the vulnerable and marginalised members of our communities. The work we do has helped those people in our regional, rural and remote communities who are financially disadvantaged; those who have a disability and/or mental illness; people from culturally and linguistically diverse backgrounds; individuals experiencing or at risk of domestic or family violence; and members of our communities over the age of 65.

We are an open and friendly board

The Board of Directors is actively involved in supporting the work of our TASC Legal and Social Justice team. Each board member is dedicated to strengthening our organisation and ensuring we meet the needs of our clients and the communities we serve. We share our ideas and empower our staff to make the decisions needed to get the job done. Our focus is on enabling TASC to provide brilliant service to our clients.

Diversity and Inclusion

At TASC, we value diversity & gender equality. We strongly encourage people from culturally and linguistically diverse backgrounds, First Nations people, people with disability and mature aged community elders to apply.

For more information please contact Lesley Beames, Chair of TASC National Board on 0412 674 177.

We look forward to receiving your expression of interest. Closing date is Friday, 8 October 2021.
